

# SILICON token

A fixed supply of 1,000,000,000 SILICON, distributed as a fair launch: 90% to the public, 10% treasury. See the disclaimer below.

## TOTAL SUPPLY

**1,000,000,000 SILICON**

## Distribution

### Fair launch / public

**90%**

900,000,000 SILICON

Distributed to the public: no presale, no private or VC round, and no team allocation beyond the treasury below.

### Treasury

**10%**

100,000,000 SILICON

Reserved for protocol development, network operations, and ecosystem growth.

## Utility

Silicon Network runs on prepaid stablecoin credits. Inference is paid in USDT and no token is required to use the network. The SILICON token is designed as an optional layer for network payments and operator rewards.
